### Care

Bright copper tone that won't turn green. To keep the shine, avoid perfume, lotions, chlorine and cleaning products, and wipe it with a soft, dry cloth. Take the piece off to swim and to shower.

### Before you wear it

It has magnets: if you have a pacemaker or another implanted medical device, ask your doctor first. Keep it away from cards with a magnetic strip.

### Shipping and returns

Only sold together with the Tótem bracelet, and it travels in the same parcel. You have 30 days from delivery to try it.
